

Setting up Application Environment

Create IBM Cloud Account

Step 1. Navigate to ibm.com/academic and register with your smartinternz mail

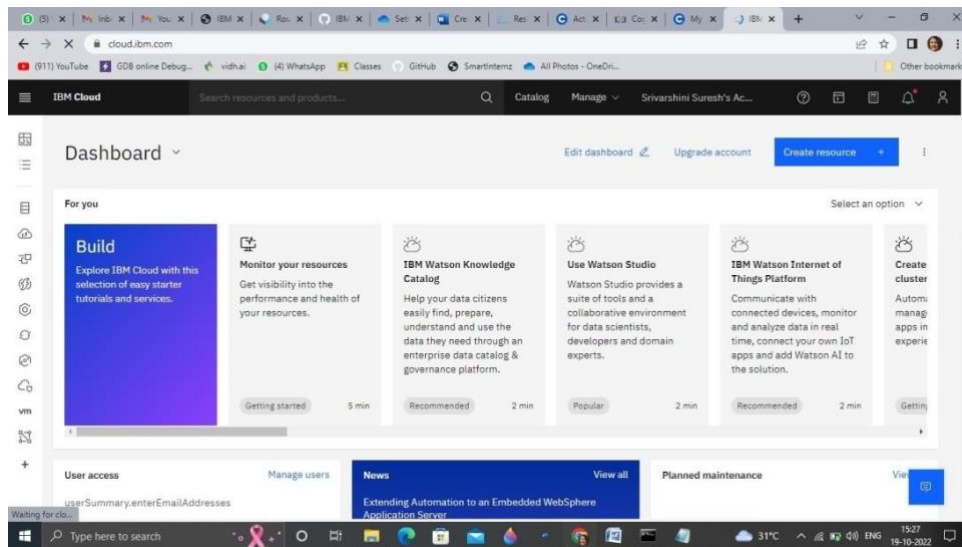

The first screenshot shows the IBM SkillsBuild Software Downloads registration page. It includes a sidebar with the IBM logo and a description of the platform. The main content area is titled '1. Account information' and contains a form with the following fields: Email (913119104506@smarterintez.com), First name (Sivashini), Last name (Suresh), Password, and Country or region of residence (India). A 'Verify email' button is visible at the bottom right of the form.

The second screenshot shows the '3. Verify email' step. It displays the email address 913119104506@smarterintez.com and a 7-digit verification code 4702028. A 'Verify email' button is visible at the bottom right of the form.

Step 2: Now goto cloud.ibm.com and login with your registered mail id along with coupon code obtained from ibm.com/academic

The screenshot shows the IBM Cloud login page. It features the IBM Cloud logo and a 'Log in to IBM Cloud' button. Below the button, there is a 'Sign in with' section with a dropdown menu set to 'IBMid' and a text input field containing 'username@example.com'. A 'Continue' button is visible below the input field.

Output :

Cloud account created successfully.
